

# **budgeting vocabulary**

---

Where does your money come from? Where does it go? What are the consequences of decisions you make about spending money?

- **income**
  
- **expense**
  
- **savings**
  
- **overspending**
  
- **budget**

You spend all of your cash on video games at the arcade on Tuesday afternoon. Now you don't have enough money to buy lunch at school the rest of the week. How would you solve this problem?
